The National Diabetes Services Scheme (NDSS) is an initiative of the Australian Government administered by Diabetes Australia Ltd. Registration with the NDSS is open to people with diabetes, is for life, required once only and is free.

As a registrant of NDSS, you are eligible to purchase selected essential products at subsidised prices including insulin syringes, needles for insulin pens, blood glucose strips and insulin pump consumables.

Accessing products could never be more simple with most Sub-Agents offering extended trading hours and 7 day trading. You can order your NDSS supplies either by telephone, mail, fax, online, by visiting our Hilton store or travelling to an NDSS Sub-Agency. (For insulin pump consumables please direct all enquiries to Diabetes SA)

Please remember that whether it is a Sub-Agency or at our Hilton store, it is necessary to show the NDSS card and Medicare Card along with any health care, safety net or pension cards.

To replace misplaced or damaged NDSS cards, please call Diabetes SA on 1300 136 588 to arrange for a replacement card. Please note that NDSS Agencies supply syringes, pen needles, testing strips and urine strips only.

In South Australia, there are currently 43 pharmacies that are contracted NDSS Sub-Agents.
